Dear Friends,

### **Welcome to the Holistic Child Health Newsletter.**

The goal of my holistic pediatric practice, and of this newsletter, is to inform and support parents to become more empowered as the primary health care providers for their children.

Extending far beyond Western medicine's conventional treatments, holistic medicine and mindful parenting allow us to boost children's natural immunity, support their optimum health and wellness, safely heal any illnesses, and prevent disease-without dangerous side effects. Holistic medicine provides us with the tools to nurture the physical, emotional, social and spiritual health of your children.

Over the coming months and years, I intend to use this newsletter to address some of your concerns as parents, share information that you might want to add to your knowledge base, and inform you of important issues and current events that are happening in the news, and in your area.

Together we can heal the whole child. Naturally.

Yours in Health,

***Lawrence B. Palevsky, MD***

## BUY THIS

### Buy Robert F Kennedy Jr's New Book: The Real Anthony Fauci

### A Message from Robert F. Kennedy, Jr:

The pharma-funded mainstream media has convinced millions of Americans that Dr. Anthony Fauci is a hero. Your help is needed today to expose The Real Anthony Fauci for the dangerous charlatan that he is.

Order your copy today: *The Real Anthony Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health.*

If you've already ordered my book, thank you. Can you now share this email today with family and friends or order several copies as gifts? Better yet, buy a book from one of these "local" bookstores and help push the book to the top on the New York Times best seller list! Publishers tell us that each store needs to sell only 30 books to do it. Let's make the New York Times have to talk about this book! The sooner we reach that milestone, the sooner the whole world will know the truth.

Over his 50-year career as a government bureaucrat, Dr. Fauci has consistently served the interests of himself, Big Pharma and the military — while failing the American public. What I unearthed about Dr. Fauci, through painstaking and meticulous research, not only obliterates the media spin ... but should also alarm every American who cares about this country — and the future our children will inherit. In my book I reveal how Fauci:

- \* failed dismally over his 50-year career with the National Institute for Allergy and Infectious Diseases (NIAID) to address the cause, prevention and cures for the exploding epidemic of allergies and chronic disease
  - \* sabotaged safe and effective off-patent therapeutic treatments for AIDS
- \* violated federal laws to allow his pharma partners to use impoverished and dark-skinned children as lab rats in deadly experiments with toxic AIDS and cancer chemotherapies.
- \* will personally profit from sales of Moderna's COVID vaccine, co-developed by Moderna and NIAID promotes "agency capture" — the subversion of democracy and public health by the drug industry
  - \* partnered with the Pentagon to approve taxpayer-funded "gain-of-function" experiments to breed pandemic superbugs in poorly regulated labs in Wuhan, China and elsewhere, under conditions that almost certainly guaranteed the escape of weaponized microbes like SARS-CoV-2. That's just the (very) short list.

**Order your copy today:**

**The Real Anthony Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health.**

Fauci and his band of pandemic pharma and tech profiteers — aided and abetted by corrupt politicians, captured federal agencies and a sold-out media — are doubling down on their false narrative that dangerous, failed vaccines “will save us.” Not only that, but more gene-therapy vaccines, and plans to mandate them, are already in the pipeline — including mRNA vaccines for RSV, which will be forced on our children. How do we stop them? Before millions — including those forced to choose between their health and their jobs and educations — are needlessly harmed by experimental vaccines? By pushing The Real Anthony Fauci to the top of the bestseller list.

My book will be met with fierce criticism and relentless attempts at censorship — in the words of Plato: “They deem him their worst enemy who tells them the truth.” But tell the truth we must — and I need your help to do that. It is my hope this book will not only reveal the truth about Dr. Fauci, but will also motivate — and mobilize — millions more advocates for truth, health and democracy.

**Thank you.**

**In Truth,**

**Robert F. Kennedy, Jr.**

P.S. I will donate 100% of the profits from The Real Anthony Fauci to fund the work of Children’s Health Defense. Please order your copy today, especially from local bookstores, so we can reach millions more people by making the New York Times bestseller list. P.S.S. You can order my book at other outlets, including Barnes & Noble, IndieBound, Bookshop.org, Target, Walmart and Books-A-Million. And order a signed copy.
